Version: 2026.1

Department: Human Resources (HR)

Classification: Confidential / Public (All Employees)

1. Purpose and Scope

Our company is committed to providing a work environment that is professional, respectful, and free from any form of harassment, discrimination, or retaliation. This policy applies to all employees, contractors, and vendors, regardless of their location (remote or in-office).

2. Expected Standards of Professionalism

- **Respect:** Treat all colleagues with dignity. We value diverse perspectives and backgrounds.
- **Integrity:** Act honestly and ethically in all internal and external interactions.
- **Inclusion:** Ensure that meetings and collaborative sessions are inclusive of all team members, regardless of time zone or seniority.

3. Prohibited Conduct

3.1 Harassment

Harassment is defined as unwelcome conduct that is based on race, color, religion, sex (including pregnancy), national origin, age, disability, or genetic information.

- **Examples:** Offensive jokes, slurs, epithets, physical assaults or threats, intimidation, ridicule, or insults.

3.2 Sexual Harassment

Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature.

- **Examples:** Suggestive comments about physical appearance, sharing sexually explicit content, or persistent unwanted social invitations.

3.3 Workplace Bullying

Bullying is repeated, health-harming mistreatment of one or more persons. This includes "cyber-bullying" via Slack, email, or other digital communication tools.

4. Reporting Procedures

We encourage employees to report any incident of harassment immediately. We provide multiple channels for reporting to ensure comfort and safety:

1. **Direct Manager:** In most cases, your manager is the first point of contact.
2. **HR Business Partner (HRBP):** If the issue involves your manager or you prefer to speak to someone else, contact your assigned HRBP.
3. **Anonymous Reporting Portal:** Access the "Whisper" anonymous link found on the company intranet homepage to submit a report without revealing your identity.
4. **Legal/Compliance:** For matters involving financial misconduct or legal violations.

5. Escalation and Investigation

Once a report is filed:

- **Timeline:** HR will acknowledge receipt within **24 business hours**.
- **Confidentiality:** Information will be shared only on a "need-to-know" basis.
- **Non-Retaliation:** The company strictly prohibits retaliation against any individual who reports harassment in good faith or participates in an investigation.

6. Disciplinary Action

Violations of this policy will result in disciplinary action, up to and including immediate termination of employment.
